

DANSKE BANK

# Your gateway to clearing in the Nordics

- Full-scale clearing solution (including CLS) across DKK/SEK/NOK
- Voted # 1 Cash Management bank in the Nordics for the last 5 years (Prospera)
- Modern platform allowing for significant cost reduction and operational efficiencies
- Additional synergies when combining cash clearing and sub-custody in one Nordic provider

---

## WITH DANSKE BANK YOU GET

### One Bank

- Access to market leading expertise in the Nordics
- One strongly rated legal entity: Danske Bank A/S
- Simplified governance structure, one credit limit, one KYC, etc.

### One Team

- Dedicated relationship management team
- Highly experienced service team operating from one hub
- Single entry point into Danske Bank's FX, Treasury, etc.

### One Platform

- Simple and robust Nordic payment platform
- Pricing incentives for pan-Nordic services
- One account opening process, payment format and billing

---

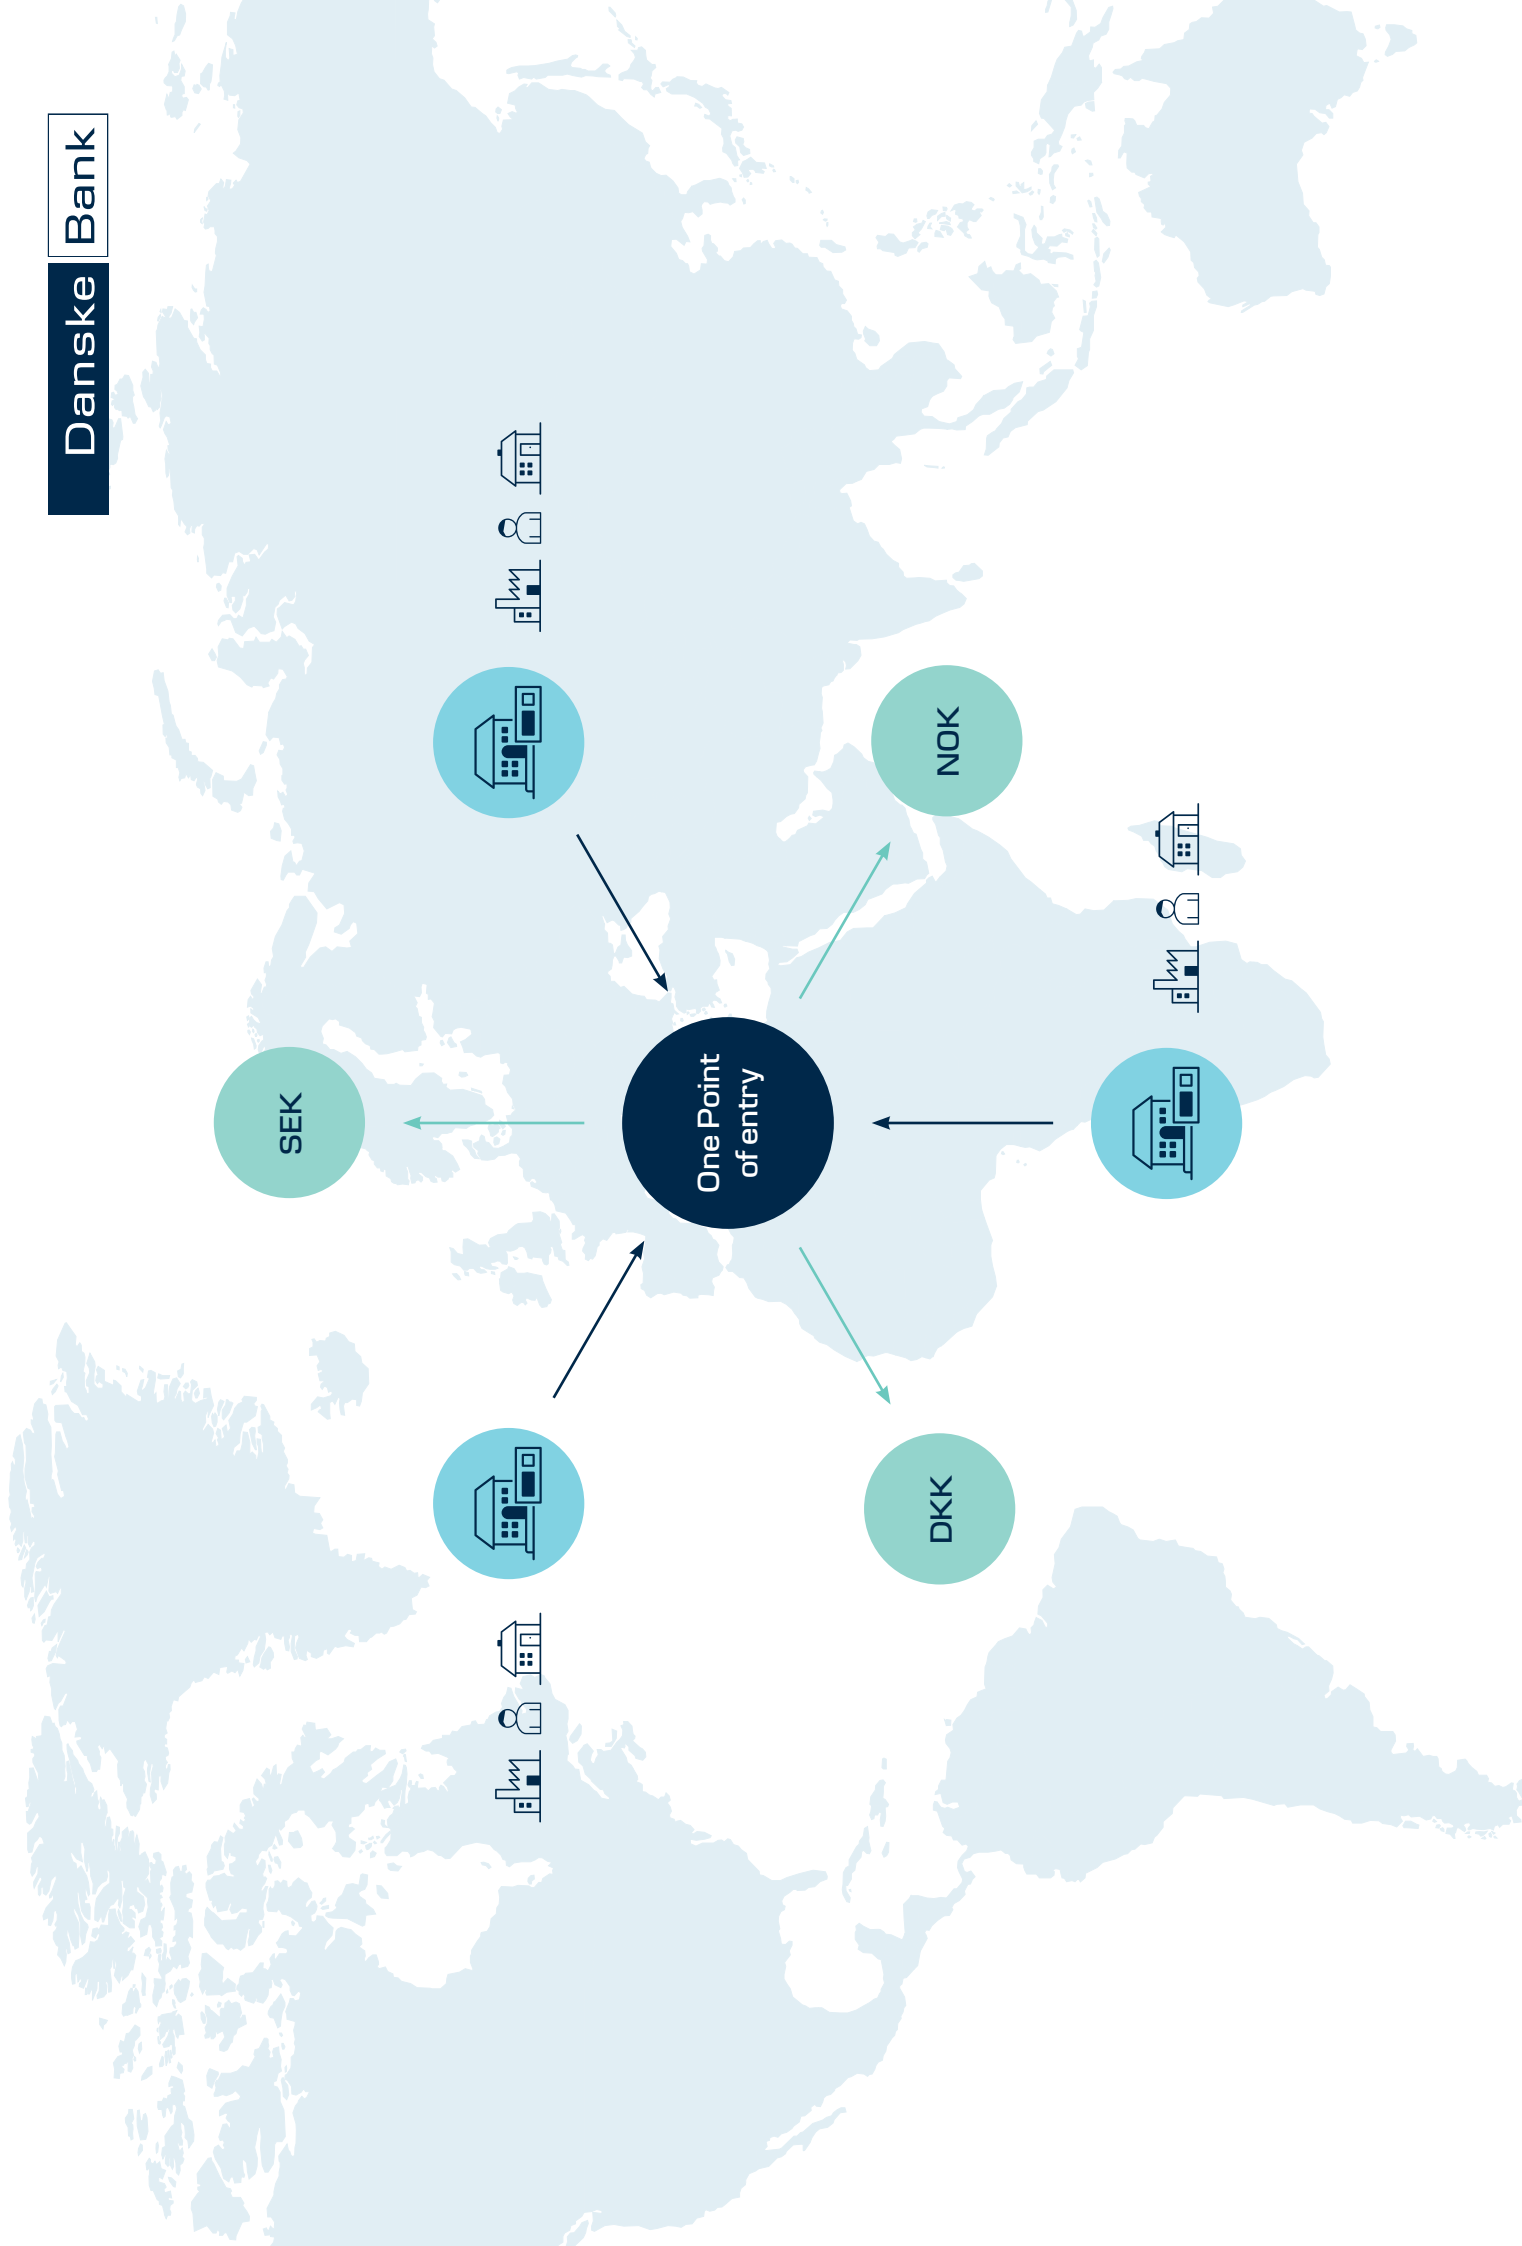

## STRATEGIC OUTLOOK

- **Live GPI solution** – across our Nordic BICs and currencies (including front-end solution)
- **Cyber security** – continued focus and investment to fight cyber crime
- **Digitalisation** – continued investment to improve client experience
